

TEAM MANITOBA ATHLETE PROFILE

JULY 17, 2017 | NORTH AMERICAN INDIGENOUS GAMES

DURELL ROTS

U19 • ATHLETICS • MALE • MANITOBA

Durell Rots is a Cross Lake Band of Indian's member in Manitoba and is representing Manitoba at his second time at the North American Indigenous Games! Durell is an amazing athlete that has been working hard throughout the year preparing for the games!

As a returning NAIG athlete, Durell knew that the 6K Cross Country race was going to be competitive event and admitted that he was kind of nervous. Durell finished first and received Manitoba's first gold medal! We congratulate Durell on his success and we are very proud of him.

Durell is a great student that loves playing sports and hanging out with friends on his downtime. His future goal is to do his best especially in hockey and/or track and field. He is also considering furthering his education in the near future.

Good luck Durell in the future and here is your Manitoba Profiled Athlete!
