

# TEAM MANITOBA ATHLETE PROFILE

JULY 18, 2017 | NORTH AMERICAN INDIGENOUS GAMES

## FEMALE BOX LACROSSE

### U19 • MANITOBA

The Manitoba Aboriginal Sports & Recreation Council has decided to profile a whole team today. Team Manitoba has sent to the 2017 North American Indigenous Games the first ever U19 Box Lacrosse Female team, and we could not be happier!

This historic event marks the first ever female category in box lacrosse, a sport that has been traditionally played by our male athletes in previous North American Indigenous Games.

Assistant coach Vanessa Monkman states that they have an excellent group of girls that are all committed athletes, have a lot of heart and came together as family, encouraging each other in a positive way no matter the score, leaving no one out of the group and ensuring they enjoy themselves in the moment.

Good luck U19 Female Box Lacrosse team in the future and here is your Manitoba Profiled Athletes!

Rostered Athletes			
Name	#	Name	#
