

TEAM MANITOBA ATHLETE PROFILE

JULY 19, 2017 | NORTH AMERICAN INDIGENOUS GAMES

CHRISTIAN SANDERSON

50KG • WRESTLING • MALE • MANITOBA

Christian Sanderson a Peguis First Nation band member is one of our profiled athletes attending the North American Indigenous Games!

This is Christian's first time at the North American Indigenous Games and we are thrilled that he has represented Team Manitoba proudly earning a silver medal alongside his colleagues.

We asked Christian what NAIG means to him and he says "I get to make my family and community proud, and prove to myself that I can accomplish anything I put my mind to."

His future plans for the sport is to improve in all aspects of wrestling, his technique and become more dedicated with the sport.

Good luck Christian in the future and here is your Manitoba Profiled Athlete!
