

TEAM MANITOBA ATHLETE PROFILE

JULY 21, 2017 | NORTH AMERICAN INDIGENOUS GAMES

GARNET SINCLAIR

U16 • BADMINTON • MALE • MANITOBA

Garnet Sinclair has represented Team Manitoba as our U16 Male Badminton athlete for the 2017 North American Indigenous Games!

Garnet hails from Skownan First Nation but resides in St. Laurent MB. This is his first time at the games and we could not be happier! Garnet earned a Bronze medal with his doubles partner Avery Dick

We asked garnet how his experience went and he said he enjoyed the experience and met a lot of nice people while at the Games. Garnet will continue to better himself and work within Winnipeg during the summer.

Good luck Garnet in the future and here is your Manitoba Profiled Athlete!
