

MIG 2021: Foxtails & Targets Scorecard

HOW TO USE SCORECARD:

1. Fill out the information at the top of the scorecard with the participant.
2. During the participants turn, count each target the participant hit and mark it down in the corresponding row
3. After their turn is done, multiply the **targets hit** column by **points column** for the total for that row
4. If they hit every target during their turn, add 10 bonus points in the **bonus points box**
5. Add together all the totals for a grand total in the bottom right corner
6. Submit results by Mau 19, 2021
