

MIG 2021: One-Foot High Kick Scorecard

HOW TO USE SCORECARD:

1. Fill out the "Participant information" form with the participant before the start of the competition.
2. Follow the starting heights that are outlined in the Technical Package. At the completion of attempts at each height the target shall be raised by heights outlined in the Technical Package.
3. During the participants turns, use the scorecard and the following instructions to track the participant's attempts:
 - a. Miss = Strikethrough the O (⊖)
 - b. Hit = Mark the O with an X
4. Use **Pencil**
5. When a participant is eliminated, **highlight** from the round of elimination to the end, and write down how many misses they had. When counting misses, **do not** count the 3 in the round that eliminated them.
6. Continue scoring all participants until there is only 1 winner
7. Submit results by May 19, 2021 at 4pm.
